

## Hello MRID Membership!

MRID is working to form a new committee called the MRID Advisory Committee and we want you to become involved!

### **What is the purpose of this Advisory Committee?**

To ensure all concerns, questions, and perspectives of MRID members are heard and shared with the MRID Board of Directors. The Membership Director would like to establish an ongoing connection with representatives from various communities in order to maintain and develop stronger relationships within the MRID community. We are interested in creating a diverse group that focuses on various demographics and backgrounds.

### **When and how will the committee meet?**

The committee will meet electronically via Zoom 4 times each calendar year. The meetings will last approximately 45 minutes. The Membership Director may communicate with committee members outside of the meeting dates if there are any time-sensitive questions/concerns that need to be discussed.

### **How can you be involved?**

If you are interested in applying to be on this committee, please fill out this Google form:
